***Due to the Department of National Defence (DND) now issuing a new Veterans Service Card, it is the only valid proof that a veteran is to provide for proof that they served. The card can be requested here Veteran Service Card and can be applied for online or by mail. We have found over the years that it is easy to duplicate certificates of service and other documents, but in order for this card to be given it requires validation by DND and is only given after the applicant is approved, therefore there is no question as to the member being a veteran.***

**Once completed the application is to be given to the applicable unit, The initial joining package of \$85 (includes main patch, winged wheel, and “supporter” or “veteran”, road name, unit tag, and National dues) is also to be given to the applicable unit to be forwarded to National.**
